Dear Mr Foroma

RE: Clothing Donation – Salvation Army Hurungwe Region

We hope this meets you well Sir and greetings from the United Kingdom. My name is Rumbi Gisanrin, I'm the founder of Mambano Projects Foundation, a charity based in the UK but operational predominantly in Africa, Zimbabwe.

The goal of our charity is to serve communities in regions that would benefit from resources and amenities such as clothing, food, education and other areas we're gradually exploring as needs arise. Our vision is encapsulated in the following 4 pillars

- Remembering Humanity
- Promoting Well-Being
- Uplifting Souls
- Investing in Posterity

As a daughter of the soil, born and bred in Zimbabwe, it is an honour to have the ability and capacity to sow back to the country that gave one the foundation to study and work in the UK.

We have done a number of projects in the Domboshava region of Zimbabwe from which our maternal heritage kindles, kindly visit our website to view.

This time, we'd like to extend the work to the Hurungwe region which is our paternal heritage, hence the letter of intent. Our Uncle Mr Philip Hwamiradza has kindly volunteered to help us seek a Christian establishment to work with on our current project. We received donated boxes of clothes which we'd like to give back to the church community in the Hurungwe area. The clothes are mainly female clothing but its just our small way of giving thanks to the land of our heritage. We would appreciate your help to coordinate this project if possible. We're happy pay for petrol to transport the clothes to the local church if vehicles are available and also add some refreshments for the clothing distribution.

The clothes are already in Zimbabwe with our division board members for security. We're happy to speak to you or refer you to our local coordinator's Mrs Pride Khumbula and Ms Gamu Mashonga for logistical planning. Our Uncle Mr Hwamiridza is also on hand to support us.

Thank you for considering us Mr Foroma, we look forward to hearing back from you.

Kind regards, Mrs Rumbi Gisanrin
(Founder @Mambano Projects Foundation)
